<p>* Tuition may increase from time to time. The total 3-year costs above are based on tuition rates in 2017-18.</p>	<p>** All MM EDU course tuition is paid to Mount Mary University, whether for audit or graduate credit. All GLWI tuition is paid to Great Lakes Waldorf Institute. Additional fees may be required by both institutions, but they are not accounted for in this chart.</p>	<p>*** The Master of Arts Degree in Education program has 3 components: 12 cr., including the 3 fall courses plus MM EDU 715; 12 cr. Waldorf emphasis electives; and 6 cr. inquiry and final project. The GLWI certificate program consists of 18 cr. of summer intensive coursework (6 cr. each summer); however, graduate students need just 12 Waldorf emphasis elective credit, so they may audit 6 of those 18 cr. Some students choose to audit all three courses in one summer; others choose to audit one course each summer.</p>
