## Financial Assistance Fund Application

Great Lakes Waldorf Institute is pleased to be able to offer small grants to currently enrolled students in good standing who intend to complete the certificate program and who express a need for financial assistance in order to participate in the program.

We trust that only those with sincere need will apply and hope that those who receive grants during the course of their training contribute to the institute's fund-raising efforts once they have graduated as a way to support the continuation of the fund.

***This application is due the 31<sup>st</sup> of December.***
